

1 it was proposed by the Committee and previously submitted  
2 and the word, rights, is used.

3 MR. HOFF: I might add the suggestion to change  
4 that, rights, to privileges, was mine. We have the right  
5 in the first sentence which would require peaceably only  
6 to assemble and petition the Governor but in the second  
7 sentence the idea was that it is a privilege to have the  
8 freedom of the press and freedom of speech which are,  
9 well --

10 THE CHAIRMAN: Just a second.

11 DR. TEMPLETON: Would you entertain a motion?  
12 Could I move that in the Committee proposal the last  
13 word, privileges, is being replaced by the word, rights.

14 THE CHAIRMAN: Is there a second?

15 MR. MITCHELL: I second.

16 THE CHAIRMAN: Any discussion? Mr. Gentry, what  
17 is the position of the Committee?

18 MR. GENTRY: The Committee has no strong  
19 position. I am looking back in the notes we had originally  
20 had, rights and it was changed, I believe, at Mr. Hoff's  
21 suggestion.
